Mural Class

On Saturday, April 4th, the mural class volunteered their time to paint a mural in one of the children's rooms at Sunnyside Foursquare Church. We are so proud of their servant spirits and working together as a team. We are not quite finished with the mural, however, we feel the team is ready for professional mural work. We will be putting together another mural brochure. This is one way our students' talents can earn them money.

Be sure to check out our website to hear our ad that is now playing on 104.1 The Fish and on KPDQ. It will be playing throughout the month of April. You can hear our ad at: www.msoaonline.com

Special Student Recognition

This month we would like to recognize one of our extraordinary students. Katherine Holland has been with Masters School of Art for many years and is a tremendous artist. But her artistry is not the only gift this fine young woman has been blessed with.

This summer, Kat and her family will be taking a mission's trip to Africa. She has created a website where she is currently selling her artwork in the form of note cards and postcards, which have been professionally printed. You can see samples of her work in our school office during normal school hours.

She will be donating half her proceeds to help children in Africa during her family's mission trip. You can read all about Kat's heart for Africa on her website: <http://www.katsartforafrica.com>

We would like to offer our thanks and admiration for her benevolence and for the compassion she has shown. We are so proud of her and how she is using her art for Christ!

Please help Kat help the poor by purchasing some of her cards.

Thank you.

May Schedule

The last day of school will be on **May 21st** for Thursday School & **May 22nd** for Friday School. All artwork to be submitted into our Spring 2009 Exhibit must be received by our school office by the end of the day. There will not be any artwork accepted for our Exhibit after May 22nd. All artwork submitted must be either matted or framed unless given different directions by their instructor. Each artwork entry must have the student's name, age and MSOA class on the back of the artwork. All the artwork submitted into our exhibit is photographed for possible upload into our web gallery. If you wish to frame the artwork submission in glass, it is better to have the picture taken first. Last term we had a problem with the flash reflecting off the glass frames and wasn't able to take a decent picture.

Our Final Exhibit and Revue will be on Thursday, **May 28th**. The Exhibit will be from 6:00pm to 7:00pm. There will be multiple categories in which to cast your vote, so be sure to come early to give yourself plenty of time to see all the wonderful exhibits.

The Revue will begin promptly at 7:00pm. More details will be announced in next month's newsletter.

On Friday, **May 29th** we will be having a picnic for all Spring 2009 students. More details about this fun day to follow. **Mark your calendar!**
