Final Words by V.P. Evie Fishkin

End of the Year Exhibit & Revue

Thanks to all the MSOA families for your support. Our thanks also go out to all the volunteers and to those who donated treats. We appreciated everyone being there to celebrate the students' work and talent. We feel that the exhibit was the best we ever had. It was nice having all the rooms to display the artwork. You can see most of the work in the gallery on the msoaonline.com webpage.

Fall 2009 Schedule

The schedule should be up on the website by the end of June. It is pretty much completed. We may be deleting a few classes and adding others. It looks great, and we're looking forward to a fun 2009-10 year.

Those who pre-registered will be able to enroll (sign up for classes) starting July 1st. Open enrollment will begin on August 1st for all those who did not pre-register. We will be sending out an email when enrollment begins.

College News

Mural Class: We are finishing the mural at Sunnyside Church this Wednesday at 10:30 a.m.

College girls are invited to a camping trip in July. Those interested contact Laura Fishkin at lnaphtali@live.com

Interns, let us know if there are classes you would like to shadow, intern, or teach. Remember, all teachers must have completed last year's Teacher's Training. There will be another Teachers Training class this fall for those who are working toward their Teachers Certificate and those who wish to teach at MSOA. This is a must!

Let us know if there are classes you would like to see offered this next term. We are open and can still make changes.

We also would like to know how many of you are open to teaching at a Satellite School or Camps?

We will be calling you in August to set up an appointment with the parents and the student to go over your college plan, and set up courses for you to complete your certification. We plan to hire a college director to help coordinate the College Program.

Final Words

In Psalm 5:3 it says, *"In the morning, oh Lord, thou will hear my voice. In the morning I will order my prayer to You and eagerly watch."* Thus, let us order our prayers to Him, early, and stand back and watch what great works God will do. Thus, we ask for your prayers for the school and the students. For

unless God builds the house (school) all is done in vain. We want to stand back and watch what great works God will accomplish through the school and our students. We are His servants, and it is our desire to honor Him in all we do.

You can have an active part in our school through prayers.

- 1. Pray for full camps and workshops.**
- 2. Pray for God's protection over all our MSOA families.**
- 3. Pray God provides the financial needs for our MSOA families.**
- 4. Pray for the planning, teaching and training for the upcoming year.**

Thanks again for your loving support and encouragement. Have a safe and fun summer. We look forward to the upcoming year. Each year gets better and better.
