

Masters School of Art

October 2009 Newsletter

We have had a great start this year. The best way to describe this year is J O Y. The MSOA students are great. There is such a sweet spirit, and supportive atmosphere.

Support Our Families (advertisements)

Thank You

Thanks to parents who brought the paper towels. We also appreciate all those of you who offered your help this year. We appreciate the sweet spirit, support, and servant attitudes.

Calendars

The new MSOA calendars will soon be available for sale. Students will be given a calendar and envelope with an order form. The calendar is one way we can all participate in helping our school offer a good art education to your children and to keep our tuition low. Please contact our school if you have any questions about this fundraiser.

There will be a first place prize to the person who sells the most calendars, and three smaller prizes to the 2nd, 3rd and 4th place winners.

Supplies

We encourage our MSOA families to cut out the coupons you find at our local art stores to purchase many of your supplies. We do have canvases, paints, brushes, and a few other supplies for sale at the school. If your children purchase supplies, and do not have the money on them, we will bill the parents for those supplies.

We also have a few portfolios left for \$12.50.

Want to Order a Sweatshirt?

Several students mentioned they want to order an MSOA sweatshirt. If you are interested, please sign up at the office. If we have enough orders, we will try to order them before the holidays.

Student I.D.

Next week is the last week to order your student I.D. We are trying to keep the cost around \$5. The I.D. is good for student discounts for entertainment and art stores.

Drawing 301 Field Trip

Most of the Drawing 301 class visited the Chinese Gardens to draw from life and photos. It was the perfect place to draw on a rainy day. We took a side trip to the Saturday Market.

Crazy Costume Day

October 29th & 30th is our annual crazy costume day. Dress up in Disney fun, period, historical, or Biblical costumes. The stipulation is students cannot dress up as dark or questionable characters. No black gothic clothing or negative messages on clothing. Prizes will be given for the best costumes and skits.

Help Needed

We need to move our Drama class costumes from one location to another. We need men to help drive a U-Haul, help pick them up, and we need ladies to sort through what we want to keep or toss. If you can help, please contact Evie Fishkin at evie.fish@live.com. We would like to do this as soon as possible. You can also sign up at the office. Thank you.

College News

Jeannine Kutcher is making appointments with the college level students to go over their transcripts and to see how we can aid them in reaching their goals. Please let us know if you have any questions regarding this.

Students enrolled in the College Level Classes are required to do outside work and field trips. They are also required to purchase a large portfolio and to begin to develop a portfolio.

Support Our Families (advertisements)

One way we can help each other is to support our businesses. Many home school families are self-employed and this is one way we can stand behind one another.
