Satellite Schools

Westside School

We have plans to have a Westside school for our Fall 2018 term. We will be having a meeting for all those interested in our Westside school Date to be determined. We will send out an email when all plans for the meeting are established. If you have any questions about our westside school, please email us westsidemsoa@gmail.com.

Tuition Increase

Due to the increase in minimum wage this year, we need to increase our monthly tuition costs to help compensate the raises to some of our staff. This increase will begin our Fall 2018 term.

While we are happy to offer more salary to our incredible staff, we depend on our tuition income to help pay for our overhead. Because of this, our tuition will be raised \$5 across the board. We are hoping only raising it \$5 per student will not be too much of a burden on our families. Thank you for your understanding! Our registration and supply fees have not been raised in cost at this time.

New Tuition Costs:

1 Class = \$55/month
 2 Classes = \$105/month
 3-5 Classes = \$155/month
 Full-Time (both days) =
 \$279/month

Need an MSOA Paint kit?

Send your order to pam.msoa@gmail.com

All painting students are required to supply their own acrylic paints and brushes. Art supply prices are going up, and we want to do everything possible to keep the cost at the lowest price possible. The paint kits are \$50.00; this includes paints and brushes. Brush sets are \$20.00 which includes: a fan brush, round brush, flat brush, fluffy brush and detail brush.

If you purchase brushes on your own, be careful not to pick up watercolor soft brushes. You do not have to purchase paint kits through the school. Use your Michaels coupons, Blicks or other art stores to get the best price. Be careful about off brands that contain more water than pigment.

Director's Note:

We hope everyone is enjoying all this beautiful sunshine and warm weather. Get your fill of all that lovely vitamin D! Summer seems to be flying by, and our regular school will be here before we know it! If you still have not registered for our Fall term, or our new school year, be sure to get registered as soon as possible. We will be enrolling students in their classes throughout the month of August, and you will be receiving your personal schedules before the month of August is over.

If you would like to introduce your child(ren) to MSOA before our school year begins, a great way to do this is to attend one of our Summer camps. We had a fun time at our July camp, and we still have room in our August camp for a few more students. This is a great way to especially introduce your younger children to MSOA that is still not quite old enough to attend our regular school. We take as young as 6 at our camps and go up to the age of 17. You can get an introduction into many classes we offer like Drawing 101, Painting, Animal Drawing, Color Pencil, Portrait, Cartooning, and Watercolor. Come join us for a fun time at camp this summer!

We are very excited about our new school year and will be offering a few new classes, like a Music Production class, and advanced Photography class, and Laura Fishkin will be teaching a new class called "Anatomy". We also have a new Lyrical Dance instructor for all those interested in learning dance. Fun times planned ahead!

In conclusion, please be sure to keep Evie Fishkin in your prayers, along with the whole Fishkin family. Evie has been having more seizures, so they could really use your love and prayers. She manages through them, but it is hard on her body and is very tough for their family to endure. I know she desires your prayers more than anything. Thank you, as always, for your love and support.
