We take as young as 6 at our summer camps! This is a great way to get your young children introduced to MSOA. We offer introductory type classes at our camp in Painting, Drawing, Watercolor, Color Pencil, Cartooning, Crafts and much more!

Visit our Summer Camps page for more information and for the forms you will need:

If you have any questions about our Summer Camps, contact Lisa Barnes at msoaonline@gmail.com.

We were once again amazed by the level of artwork displayed at our exhibit in May. We saw budding new artists, and returning students taking their art to the next level. Our congratulations to all our students on another beautiful exhibition.

Tuition Increase

~Clackamas Location~

Due to the increase in minimum wage this year, we need to increase our monthly tuition costs to help compensate the raises to some of our staff. This increase will begin our Fall 2018 term.

While we are happy to offer more salary to our incredible staff, who is very deserving, we depend on our tuition income to help pay for our overhead. Because of this, our tuition will be raised \$5 across the board. We are hoping only raising it \$5 per student will not be too much of a burden on our families. Thank you for your understanding!

Our registration and supply fees have not been raised in cost at this time.

New Tuition Costs:

1 Class = \$55/month

2 Classes = \$105/month

3-5 Classes = \$155/month

Full-Time (both days) = \$279/month

Clean Up Day

~Clackamas Location~

We will be having a clean up day at the church on Monday, June 18th to clean the office and the storage room in ready for our camps this summer.

If you have some free time from 10am-2pm on the 18th and can lend a hand, we would very much appreciate it!

Also, if you forgot to pick up your yearbook or artwork from the night of the exhibit, this would be a good time to come retrieve your items.

The next time we will be at the church is July 9th-12th for our July camp, and then August 6th-9th for our August camp. You can also pick up your yearbooks and artwork then.

If you can help us with our clean up day, please email us at msoaonline@gmail.com. Thank you.

Director's Note:

Dear MSOA Family and Friends,

I can't believe we have just finished our 15th year as a school. Many of you know that my Mom, Evie, and I cofounded the school 15 years ago when we had a vision for a fine arts school that returned to the quality of the masters and honored God in philosophy. Masters School of Art has been filled with many joys and challenges, successes and... areas we can grow. :)

We are grateful for your support and involvement at MSOA. Our desire is to offer your children the best art education at an affordable cost. Your support and feedback help make that possible. Thank you to those that helped prepare and take down the Exhibit/Revue and for those who took part in the fundraisers. The fundraisers help with equipment for your kids and toward scholarships.

Clackamas Families, we need help this coming week clearing out excess stuff in the storage room and cleaning up. If you think you are able to help, please get in contact with us.

Westside Families, we are so grateful we have had the chance to come back after your many requests last summer. We hope your year was wonderful and that we can continue to work with you this coming year. We are sad that Anna will not be with us this coming term as Director of the Westside MSOA campus. We want to make the transition as seamless as we can. There was some sort of lack of communication and it would seem the church is not available at the date camp was set. We are looking for another church to hold it at. If you know of a possible location please let us know. We want your feedback about what you would like offered next year, and how we can best serve you.

Many of you know that Evie has stage four cancer. It's been a rollercoaster and many of you have been praying for her. We are very grateful, and it is because of prayer she is still here. She was told by her oncologist a couple of weeks ago that she would likely not be functional in a few weeks. We are praying that is not the case and we are trying as many natural avenues that make sense to help her body fight. My heart is that God does not take her home yet. It was her heart's desire to do the songs the kids worked on at lunch. When they were hoping to start working on them, she went in for unexpected brain surgery. Putting on the dramas was one of her last wishes for possibly her last revue at MSOA. It was a last minute pull together, but we usually do an all school song at the end. This summer is full of a few unexpected challenges, but we are thanking God that He is Lord in the middle of them all and looking forward to seeing what He will do.

Thankful for you all,

Laura Fishkin
