SUMMER CAMPS

Mark Your Calendar! We will be having two camps this summer in the Clackamas location. Our first camp will be July 8th-11th and our second camp will be August 5th - 8th.

We take as young as 6 at our summer camps! This is a great way to get your young children introduced to MSOA. We offer introductory type classes at our camp in Painting, Drawing, Watercolor, Color Pencil, Cartooning, Crafts and much more!

Visit our Summer Camps page for more information and for the forms you will need: <http://www.msoaonline.com/summercamps.htm>

If you have any questions about our Summer Camps, contact Lisa Barnes at msoaonline@gmail.com.

We were once again amazed by the level of artwork displayed at our exhibit in May. We saw budding new artists, and returning students taking their art to the next level. Our congratulations to all our students on another beautiful exhibition.

Director's Note:

Another school year has come and gone, and we are so thankful to all our MSOA families for all your support and prayers to help us make our art school a fun place for your children to grow in their artistic skills. We had some amazingly talented students this past year, once again, and are looking forward to what beautiful works of art our students will create for our 2019-2020 school year.

The art exhibit and revue in May was incredible. The hard work of the students really showed in their fine arts and in their performing arts. The skits were fun and creative! We'd like to offer a big thank you to our instructors as well for pouring out their hearts to their students.

We have a couple of camps planned for over the summer – one in July, and one in August. If you have younger children who have been interested in attending MSOA but aren't quite old enough, our camps are a great way to get them introduced to the wonders of Masters School of Art. Remember, we take as young as six at our camps. The camp students always have a fun time, and many return year after year. We love seeing the returning students, and we are also looking forward to seeing some new faces this year! If you have not yet registered for camp, be sure to get your application to us as soon as possible as we do have limited enrollment.

We are currently working on our new school year, with once again offering amazing classes in a variety of mediums. Pre-registration is now over, but registration is still open, and we are still accepting applications. We had a great response to our pre-registration and Friday school is filling up quickly. There are still a few spots left to get into our Fall 2019 term, so if you haven't yet registered for Fall, please do so as soon as you are able to ensure a spot for our new school year.

As always, if you have any questions about registration or enrollment for our summer camps or for our new school year, feel free to contact us anytime at msoaonline@gmail.com or msoaadmissions@gmail.com. Have a great summer everyone and if we don't see you at our camps, we'll see you in September!

Philippians 4:6-7

Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus.
