## 2016 Auction Results

Thank you to those who generously donated to our 7<sup>th</sup> Annual Online Auction. It is your donations and support that made it happen. Thank you volunteers for taking time to procure items and for all your hard work behind the scenes. Thank you to the 67 bidders for your support. You can pay for your auction items either through PayPal from the auction site, or you can pay with cash, check or money order when you pick up your items from our school office on Thursday or Friday. We ask that you please retrieve your winnings by May 13th as our storage space is very limited. Some left over items that did not receive a bid will be raffled off at our Exhibit & Revue at the end of the month.

**We had an awesome auction! Even though we had fewer bidders and less items this year than last, we still received our most gross proceeds to-date with around \$6500! Our gift cards were one of the biggest bidding war items, along with home and garden items and gift baskets, to just name a few of our "hot" items. Thank you again to everyone helped with this year's fundraising event.**

### Yearbook/MSOA Memory Book - Order Now - \$20

It's time to place your order for the 2015-16 yearbook that will be available for pickup at our Art Exhibit & Revue at the end of this month. Only yearbooks that are paid and placed ahead of time will be ordered, so be sure to **get your order in by this week!**

## Congratulations to our 2016 Graduate!

Congratulations to Clara Ray, our MSOA graduate this year! She is also an instructor at our Salem Satellite School, teaching classes such as Color Pencil and Pen & Ink.

## Crazy Day

May 19<sup>th</sup> & 20<sup>th</sup>

This is the last day of the term and when all artwork for the exhibit needs to be turned in to our school office, either matted or framed. All artwork (except paintings) is required to be matted, unless otherwise specified by their instructor. If you frame your child's artwork, please DO NOT put it behind glass as this makes it difficult for us to take pictures.

## Artwork Prep Day

We need volunteers to help us prep the artwork for the Art Exhibit. Our "Prep Day" will take place on Wednesday, May 25<sup>th</sup>, beginning at 10am. The more hands we have, the quicker we will be able to get through the hundreds of artwork pieces. They need to be catalogued and pictures taken.

If you can help with this, please contact Lisa at [msoaonline@gmail.com](mailto:msoaonline@gmail.com) as soon as possible so we can begin planning out the day. Thank you!

## Revue Raffle

If you missed out on the auction, then don't miss out on the raffles and silent auction at the Revue. There will be gift baskets and other great items that could be yours!

We are accepting gift baskets and other items in decent condition for the raffle and silent auction. All donations are tax deductible.

## Pizza Orders

The day of the Revue, we will be ordering pizza again. If you would like to order pizza, contact our school office asap. Price: \$3 for 3 slices. Pizza must be ordered in advance.

Pizza will be served at 4:30pm in the gym and is available for all MSOA students and volunteers on hand.

## Important Information for Art Exhibit & Revue

This spring most of our students' artwork moved to a whole new level. The younger kids are moving right up the ladder and the older kids are becoming masters. This is going to be one of our best art exhibits!

In order to make the art exhibit and the revue successful, we need parental support. Those who haven't had the opportunity to volunteer yet this term, this might be your chance. Sign up in our school office with Stacie Ramirez if you can help in preparing the artwork on Wednesday, May 25<sup>th</sup>, during the rehearsals on May 26<sup>th</sup>, or at the exhibit itself. There are many places and ways you can help!

Students who are not practicing need to be in the gym where there will be supervision.

**All students are required to be at the school by 4:00pm to practice the all-school song.**

*~ART EXHIBIT & REVUE IS A REQUIRED EVENT~*

## Individual Pictures

*We still have more individual pictures to take of each Thursday and Friday school student, including College.*

*As soon as the weather permits, we will be taking individual pictures by May 13<sup>th</sup> at the latest.*

## Lost & Found

Our lost & found basket is once again overflowing! We ask that everyone please check in to see if your child(ren) have lost any of their belongings. There are jackets, art supplies, plus much more!

The basket will be available at the exhibit & revue at the end of the month. Please make a note to stop by and check to see if anything belongs to your family. Thank you.

## MSOA Westside Satellite School

### Welcome to MSOA Westside's new Director, Stephen Teague!

#### MSOA Certified Instructor

Stephen Teague, known professionally as Stevo, has been an artist all his life. Drawing was second nature while he was growing up, and any math tests were always turned in with multiple doodles in the margins. While he was thinking about the future, an inspiring high-school art teacher challenged him to pursue art as a career. After graduating in May 2010 from Gladstone High School with National Arts Honor Society honors, and having several Teacher's Assistant credits under his belt, Stevo started teaching at MSOA in the Fall term of that year. Five years later he graduated through the college program with a Teacher's Certification. In his spare time he loves learning about all kinds of nerdy things, hiking various hills, and trying not to be the worst pool player in the Pacific Northwest.

We are so happy that Stevo has joined our Director's team and are confident he will run our Westside campus with skill and talent.

**Administrator Needed:** Our Westside Satellite School is looking for an Administrator, whose job duties would include, but are not limited to, registration/enrollment and office management. If you are interested, or know someone who might be interested in this position, please contact us at [msoaonline@gmail.com](mailto:msoaonline@gmail.com).

### *Director's Notes:*

Thank you to those who participated and pitched in for the auction. Your help makes it possible for us to offer scholarships to students who couldn't otherwise afford to come on their own and help keep supply costs down.

We are reaching the final stretch of the school year. We look forward to seeing you all soon and celebrating all that was accomplished this year. It was a joy for us to work with your kids.

~Laura Fishkin
